

Preparing for the PHE End

Telehealth Key Dates

Provider Communication

All dates below are anticipated.

Oct. 13, 2022 PHE Waiver Extension

PHE extended

until Jan. 11, 2023.

Let your providers know you are on top of this and will keep them posted!

Nov. 12, 2022 White House Notification of PHE End

Providers may be worried this means the end of telemedicine-*remind them of the 151-day extension!*

December 2022 CMS Releases PFS CY23 Final

Providers unsure if this means telehealth is still permissible in the home for Medicare pts. *Send a memo!*

Jan. 1, 2023 PFS CY23 Effective

What does this mean? *Reassure providers that home is a Medicare-covered service under the waiver AND of the 151-day extension. Give them a heads up about any modifiers or workflow changes.*

Jan. 11, 2023 PHE ends - 151-Day Flexibilities Begin

Reassure providers that nothing changes right now except perhaps their video platform. *Double check your allowable Medicare provider types.*

Here is a handy_grid.

Jan. 11, 2023 HIPAA Waiver Ends

Providers must use HIPAA secure, BAA covered video platforms and patient communication.

See OCR FAQs.

June 2023 151-Day Flexibilities End

PFS CY23 rules now apply but *some PHE codes remain in effect.*

Check the CMS list.

Dec. 31, 2023

Last remaining telehealth waiver codes expire. PFS CY24 goes live tomorrow.
